Office Action Summary

Art Unit: 1761

1. Claims 1-8 are rejected under 35 U.S.C. 251 for the reason set forth in the first two sentences of paragraph No. 4, Paper No. 3.
2. The reissue oath/declaration filed with this application is defective because it fails to contain a statement that all errors which are being corrected in the reissue application up to the time of filing of the oath/declaration arose without any deceptive intention on the part of the applicant. See 37 CFR 1.175 and MPEP § 1414.

Paragraph 14 of the reissue declaration states "Our actions relating to all errors". This should be changed to "All errors".

3. Claims 1-8 are also rejected under 35 U.S.C. 251 as being based upon a defective reissue declaration as set forth in paragraph No. 2 above.
4. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
